

## GET INVOLVED IN THE DEBATE

1. **sli.do** will be used during the webcast event:
  - o to get input from the audience to specific questions
  - o for the audience to raise questions for the presenters
  
2. To connect to **sli.do** using your device (smartphone, tablet or laptop)
  - o Go to: [www.slido.com](http://www.slido.com)
  - o Enter the code: ***EFRAG-DK***
  
3. To participate in a poll select ***Polls*** at the top of your screen
  - o Select your required response from the options showing on your screen and press 'Send' to submit
  - o Try it now by answering our first poll about the profile of today's audience!
  
4. To ask questions, simply select ***Questions*** on the top of your screen
  - o Go to 'Type your question' / Enter 'Your name ' if you wish to do so
  - o With Slido you can also 'like' questions suggested by others!
